Last week again saw a rise in sickness absence, with 190 sessions (95 days) lost due to illness. Please could we ask for your support in ensuring that children miss as little time as possible, so that they do not fall behind in their learning.

Woodland Path

We apologise for the inconvenience of the path being closed we are hoping to have the path open after the half term. The path is currently closed on health and safety reasons due to trees falling over the winter period or are unsafe.

Additional Bank Holiday

Please be aware that the school holidays have been updated to include the additional bank holiday for the Kings Coronation.

These have also been updated on the website term dates.

Parking

We have had a number of complaints from the residents in the area regarding the parking around school. We ask that you do not park across driveways or on gardens. We have spoken to the local police and PCSO's who will be supporting the residents and the school by doing spot checks over the coming weeks.
