

## Street Detectives

### Year 5 Summer Term 2023 Theme

#### Booklet

#### English

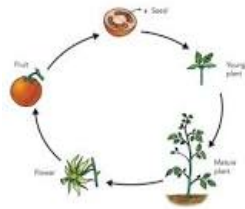

In English, we will be analysing the poem, 'The Highway Man' and looking closely at a picture book 'Tuesday', linking to our Science Topic 'Living things and their habitats'.

#### Maths

In Maths, we will be recapping the 4 rules of number and fractions, decimals and percentages. We will also be learning about 2D and 3D shapes and their properties, angles and measure.

#### Science

In Science, we will be investigating the life cycles of animals from the different groups of the animal kingdom. In addition, we will look closely at plants, including dissecting, pollination and fertilisation.

#### DT

In DT, we will learn about nutrition and a balanced diet, including growing and preparing food. We will also be learning how to peel and chop a variety of vegetables.

#### Art

In Art, we will be looking at folk art, local artists and their artistic styles, including L.S Lowry, linking this to digital art.

#### Music

In Music, we will look at singing and reciting a song with good vocal production. We will also be composing our own piece of Music.

#### History / Geography

In History and Geography, we will undertake a local history study of Rochdale, looking at places of importance and how our town compares to towns in other countries.

#### R.E

In R.E, we will be discussing and enquiring into the question 'What does it mean to be a Muslim in Britain?', in accordance with our RE syllabus.

#### PSHE

In PSHE, we will be thinking about the positive and negative life choices which can affect our health. We will also be looking at how to work well in a team and community spirit.

#### Computing

In Computing, we will be identifying the features and purposes of a blog, as well as creating a virtual space using online 3D software.

#### P.E & Games

In P.E, we will develop our teamwork skills through athletics, focusing on topics such as: sprinting, javelin and jumping.

#### School Drivers:

This term we will be working on reflective learners. We will do this by: advising others and peer teaching, setting goals, dealing with feedback and evaluating. We will also be working on being independent enquirers. We will do this by: summarising, being independent, making decisions and looking for evidence.
