DEADLINE:

13TH OCTOBER 2026

YEAR 6 CAREERS EVENT

Have you or anyone you know got an exciting job/Career?

On October 20th we will be holding our Careers Event for year 6. We are looking for people to come along, speak to them and inspire them about their futures.

There is still time to get in touch with Mrs Oldham in year 6 or ring/email the office.

10 FOR 10 READING CHALLENGE

Take 10 to read

Pause. Breathe.
Read for 10 mins
at 10am on 10th October

#Take10ToRead
#WorldMentalHealthDay

Something you might like to do with your children. As part of the National Year of Reading in nursery we are doing 10 for 10. So on the 10th of October at 10am the idea is to stop what you are doing and read a book for 10 minutes, hopefully to highlight the importance of reading. We are asking families to send in photos of them taking part, but will add that reading can be anywhere. Why not send in some photos of children sharing books in unusual places.

COFFEE MORNING

**Coffee Morning/Drop in
20th October 9am in the hall**

Focus will be on Online safety – for parents to discuss any concerns that they may have or to find out more about how to keep your children safe online.

PEEK AT THE WEEK – YEAR 2

Year 2 had their Star books event on Wednesday and as you can see from these happy faces, it went very well!

Shawclough school is **CASHLESS**. We accept payments by **CARD ONLY**. Please ensure you have downloaded the **GATEWAY APP** to receive information about school and make payments.

DEER IN THE WOODLAND

From time to time you may notice that there is Deer in the Woodland around school.

These deer make their way from Healey Dell and the surrounding areas to local areas around Shawclough, including our school.

Rest assured they are totally harmless and pose no threat if left alone.

Please do not try to move them on, in fact please steer clear of them and remain calm – try not to startle them as they move quickly and may get hurt or potentially move to the road and cause a risk to others.

Whilst we appreciate you letting us know, there is very little we can do about it.

Please just move around them quietly and if your children show an interest, let them look but remain calm and quiet and move on.

The Deer will move on by themselves.

PEEK AT THE WEEK – YEAR 2

Year 2 are learning about reptiles and Viv bought her tortoise 'Laurel' in to see us.

PEEK AT THE WEEK – YEAR 5

Yr 5 used Atlas's to locate countries in North and South America and dictionaries to define geographical vocabulary. In Art they created pieces inspired by Hannah Hoch, to promote themes of protecting our planet, reading and everyone belongs.

EVERY SCHOOL DAY MATTERS

Penalty Notice Fines for School Attendance are Changing!

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued after 19th August 2024.

Per Parent, Per Child

Penalty Notice Fines will now be issued to each parent, for each child that was absent.

For example; 3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

First Offence

The first time a Penalty notice is issued for Term Time Leave or irregular Attendance, the amount will be:

- £160 per parent, per child paid within 28 days.
- Reduced to £80 per parent, per child if paid within 21 days.

Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed for Term Time Leave or irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrate's Court. Magistrates' fines can be up to £2500 per parent, per child. Cases found guilty in Magistrates Court can show on the parent's future DBS certificate, due to 'failure to safeguard a child's education.'

5 Consecutive Days of Term Time Leave

Penalty Notice Fines will be issued for Term Time Leave of 5 or more consecutive days. INSET training days are school days and can be included in the 5 or more consecutive days where there was intent to be absent for term time leave.

10 sessions of unauthorised absence in a 10-week period

Penalty Notice Fines will be considered when there has been 10 sessions of unauthorised absence in a 10 week period.

Second Offence

The second time a Penalty Notice is issued for Term Time Leave or irregular Attendance the amount will be:

- £160 per parent, per child paid within 28 days.

The Umbrella sessions – Understanding Anxiety, triggers and strategies to build resilience

Neurodivergent people experience anxiety at significantly higher rates due to sensory overload, unpredictability, communication barriers, and social pressure. This workshop provides the understanding and tools needed to create calmer, safer, and more supportive environments.

Different minds • Shared belonging • Stronger support

What will parents learn?

- **Neurodivergent anxiety**, how it differs from neurotypical anxiety
- **Common triggers**, sensory, social, communication and executive functioning
- **Support strategies**, practical tools for home, school and social environments
- **Inclusive design**, creating calmer, predictable responses

Who is it for?

This session is for parents and carers who would like to better understand how anxiety presents, learn about common triggers and develop strategies to cope and build resilience

Dates – September 22nd 2026 6-8pm
or October 12th 9.30am-12 noon

Keeping your family safe from fire

Advice for Parents and Carers

Fire safety starts at home

Most fires in the home can be prevented. Actions such as:

Testing smoke alarms every week, keeping them clean and well maintained

Storing and charging electrical items safely

Talking to children about fire risks can make a significant difference.

Fire safety is not about causing worry; it is about helping families feel prepared and confident about what to do if an emergency occurs. Working smoke alarms are one of the most effective ways to protect your household, and every family should be aware of their escape routes and what to do if an alarm sounds.

Safety actions to protect your home

Many household fires start through everyday activities. Cooking remains one of the most common causes of accidental fires, particularly when food is left unattended or when cookers and cooking surfaces are used for extra storage, as items left on or near hobs can accidentally catch fire.

Faulty electrical equipment, damaged charging cables and overloaded plug sockets can also present significant risks. Developing safe habits, such as switching appliances off when not in use, avoiding overloading extension leads and keeping flammable materials away from heat sources, can help reduce the likelihood of a fire starting in your home.

As children grow older, they often spend more time independently in their bedrooms and make greater use of technology. It is important for parents and carers to know where devices are being charged and to encourage safe charging habits.

Phones, tablets, laptops and gaming equipment should never be charged under pillows, on beds or beneath blankets where heat can build up. Hair straighteners should be fully switched off after use and allowed to cool safely. It is also worth having conversations about candles, incense burners and any other items that generate heat.

Children are naturally curious and may have questions about fire, fireworks or emergency services. Open and age-appropriate conversations can help them understand both the dangers and the importance of safe behaviour. Encourage children to tell an adult if they find matches, lighters or damaged electrical items. Explain that smoke can be just as dangerous as flames and that hiding during a fire can make it more difficult for firefighters to help them. Reassure children that knowing what to do in an emergency helps to keep everyone safe.

Creating a family escape plan

Every family should have a simple escape plan. Take time to identify the quickest way out of each room and, where possible, a second route in case the first is blocked. Make sure everyone in the household knows these routes and understands what to do if they hear the smoke alarm. Keep exits clear so that everyone can leave quickly in an emergency and ensure keys are stored in a safe but accessible place.

All family members should know where they are kept. Choose a family meeting point outside the home as this helps ensure everyone can be accounted for safely and reduces the risk of anyone re-entering the building. If there is a fire, get out, stay out and call 999. Teach younger children never to hide during a fire and never to go back inside for toys, pets or belongings.

Your family escape plan should also cover what to do if you cannot leave the property safely. If your escape route is blocked, move to a room with a window if possible and close the door behind you. Use towels, bedding or clothing to block gaps around the door to help prevent smoke entering the room. Open the window, call for help and dial 999 if you can. If you are on an upper floor, do not jump from a window; stay where you are and wait for rescue. If you live in a flat, make sure everyone in the household is familiar with the building's fire safety arrangements, evacuation procedures and escape routes, including the importance of not using lifts during a fire.

Fireworks, Deliberate Fires and Hoax Calls

Some children might not fully understand the consequences of irresponsible behaviour involving fire. Deliberately setting fires, misusing fireworks or making hoax calls to emergency services can place lives at risk and divert valuable resources away from genuine emergencies. Parents and carers play an important role in helping young people understand how these actions can affect individuals, families and communities. Taking opportunities to discuss news stories, local incidents or community events can help reinforce these messages.

Knowing your rights and the support available

Local authorities, housing teams, Citizens Advice, community organisations and charities may be able to assist with a range of issues, including housing conditions, household safety and family wellbeing. Many local Fire and Rescue Services also offer free Home Fire Safety Checks, providing practical advice tailored to individual households and circumstances.

If you rent your home, your landlord has legal responsibilities to help keep you safe. In England, landlords must provide smoke alarms on every storey of a property, ensure gas appliances are checked annually where provided, maintain safe electrical installations and provide appropriate carbon monoxide alarms where required. They should also ensure that escape routes can be used safely at all times.

If you have concerns about fire safety, speak to your landlord or letting agent first. If problems are not resolved, your local council's housing team, Shelter or Citizens Advice may be able to offer support and guidance.

Useful Sources of Support

Further advice and support can be obtained from:

- Your Local Fire and Rescue Service
- Citizens Advice
- Shelter
- GOV.UK

These organisations provide information on home fire safety, housing rights, landlord responsibilities and support for families who may be experiencing difficulties.
