SPANISH – Nancy who has offered the Spanish club for several years in school delivers a fun club where children learn basic Spanish. Each session focuses on a subject such as number, colour, animals and weather etc. For children who have never learnt a new language, this is a fun club to try. Those who have already attended previously, can build on their learning. Children also look forward to the drink and snack provided, too!

FOOTBALL – Damian is a very experienced football coach who has a passion for the game. He teaches the children new skills, as well as supporting them to perfect the skills they already have. His friendly and encouraging manner is brilliant. This is a great club for all abilities.

CHEERLEADING – Project Sport provide skilled sports coaches to teach the children key skills whilst enjoying a fun and engaging session. This is a new club for Shelley First School and is open to all abilities.

TEXTILES/CRAFT – A chance to try a range of crafts and techniques and to learn new, or develop existing skills. Each term we cover a variety of activities which might include amongst others sewing, weaving, braiding, papercrafts, mixed media projects, painting a variety of objects or making mosaics. Each term is different and generally includes something seasonal. The main aims are to try something new and have fun.

CRICKET – Project Sport provide skilled sports coaches to teach the children key skills whilst enjoying sporting games in a fun environment. This is a club for all abilities and will be outdoors during the nicer weather.

CHOIR – This club is run by Musica Kirklees. Come along and join in for a sing-a-long and learn new skills to support singing in harmony with fellow singers. You will be creating a beautiful sound before you know it and growing in confidence. The choir can only continue to run next term if we have more interest, so please sign up straight away to be counted in the summer term. We love to hear the sound of music coming from the hall, on a Friday Morning.
