

English and Reading

In English, we will be reading the book *Hermelin* by Mini Grey. The children will be sequencing sentences to form a short detective narrative. They will focus on using 'and' to extend sentences and being able to say a sentence aloud before writing it. We will concentrate on forming our letters correctly and using full stops, capital letters and finger spaces.

Spellings:

the a do to of said were
was is his you they be he
we me so there where one

Maths

Children will be focusing on shape, recognising 2-D and 3-D shapes, vertices and lines of symmetry. We will also be place value to 100 and addition and subtraction.

Key vocabulary:

Vertices	add	ones
Edges	subtract	partition
Faces	equals	
2d shapes	place value	
3d shapes	tens	

PSHE

In PSHE children will be looking at safety and the changing body. We will focus on how the internet can be used to help us and staying safe online, what a secret and a surprise is and learn the names of parts of the body including private parts. We will look at the PANTS rule, keeping safe near and when crossing roads. We will also look at understanding when we should take medicine.

ART

In art children will look at painting and mixed media. They will name the primary and secondary colours, talking and changes when two colours mix. We will describe colours and textures, using different tools to recreate texture. We will learn collage techniques and analyse our work.

Key vocabulary:

Collage, details, mixing, overlap, primary colour, secondary colour, surface, texture.

Class Beck Curriculum Overview- Spring Term

1

Topic- location, Location

If you could live anywhere in the world, where would it be and why?

Grammar

We will try to use the correct punctuation for our sentences and continue to use 'and' to extend our sentences.

We will reinforce the plural noun suffix -s -es. We will think about how the prefix un - changes the meaning of verbs and adjectives.

Geography

In geography, the children will be looking at 'why is our World wonderful' where they identify and locate the characteristics of the UK on the map, they will recognise human and physical features and locate them. Children will be able to explain the difference between oceans and seas, naming and locating the five oceans. They will use an aerial photograph to draw a sketch map.

Key vocabulary:

Aerial photograph	Capital city	Continent
Country	Fieldwork	Data collection
Locate	symbol	tally chart
		vegetation

Science

In science, children will look at the uses of everyday materials. They will be able to name different materials and their purposes. Children will be able to name the properties that make materials suitable for their use and understand that stretching, twisting, bending and squashing can cause some solid objects to change shape.

Key vocabulary:

Elastic	Flexible	Property	Suitable	Bend
Fabric	Glass	Material	Metal	Object
Plastic	Pull	Push	Rock	
Stretch	Squash	Block graph	Record	

RE

How do stories help Hindus live their lives?
We will recognise that many stories have a message and how stories tell us something about ourselves and the world. We will look at how Hindus treat other people and care for the world.

Key vocabulary:

Hindu Namaste Meditation Compassion

PE

The theme for this term is Dance. Pupils will understand that a dance and routine can be performed in a variety of ways.

Key vocabulary:

inside outside freeze travel balance beats
stimulus gesture unison cannon
