

Welcome to Class Sea!

Year 4 – Miss Westwell & Mrs Owens

Teaching staff	Mrs Owens will be teaching the class on Mondays, Tuesdays and Wednesdays and Miss Westwell will be teaching on Thursdays and Fridays. Miss Westwell and Mrs Owens will be planning together to ensure that the children's routines remain as consistent as possible.
PE	Year 4 will have PE each Tuesday morning and Friday afternoon. Please ensure that name-labelled PE kits, including a pair of trainers, are in school on these days. Your child has access to their own locker where they can keep their PE kit. We will send PE kits home to be washed at the end of each half term, but please feel free to take them more frequently if you wish to.
Swimming	From February 2025, we will be attending swimming lessons at Scissett Baths on Tuesday mornings. Further details to follow shortly.
Homework	The children will be set English and maths homework tasks each week. These will be sent home each Friday and we ask that they are completed and returned to school by the following Wednesday. Spellings will also be sent home each Friday and we will have a spelling check on Friday afternoons.
Multiplication tables check (MTC)	All Year 4 children across the country are required to complete the multiplication tables check (MTC). This will be taken in June 2025 and we will be practising our times tables as often as possible. We ask that you please support with this at home with games such as TT Rockstars and Hit the Button. More information can be found here: Multiplication tables check: information for parents - GOV.UK (www.gov.uk)
Reading	We will read every day in class during our guided reading lessons, during which we will focus on skills such as comprehension. Your child will regularly receive new reading books/library books to share with you at home as often as possible. Please ensure that your child has their books with them in school every day.
Computing	Year 4 will use the laptops during computing lessons on Thursday afternoons.
Trips	We will be planning some trips and other exciting experiences for the year and will send details shortly.
Communication	We will always inform you of anything you might need to know via text message or electronic letter. Please don't hesitate to get in touch if you have any questions or concerns. Mrs Owens/ Miss Westwell will always be available in the playground at the beginning and end of the day and we can also be reached via the school email address: shelleyoffice@themast.co.uk Thank you for your support!
