

## English and Reading

In English lessons we will be focusing on *The Secret of Black Rock* by Joe Todd-Stanton. The story is about Erin, an adventurous young girl who must uncover the secret of a huge, dark, spikey mass which is rumoured to destroy any boats that go near it. The children will write postcards to recount events and will work towards writing their own similar version of the story.

## Maths

Children will be focusing on length and height, mass, capacity and volume and fractions.

### Key vocabulary:

whole	parts	equal parts	unequal parts	fraction
half	quarter	third	unit fractions	non-unit fractions
numerator	denominator	volume	mass	weight
capacity				

## PSHE

In PSHE our theme is *Economic wellbeing*. Children will understand some ways adults get money, the role of bank account cards, identify their skills and talents and ways they develop them and understand why treating people equally and exclusively is important. Key vocabulary: Bank account, debit card, diversity, electronic skill.

## Grammar

We will try to use the correct punctuation for our sentences including finger spaces. We will continue to use 'and' to extend our sentences.

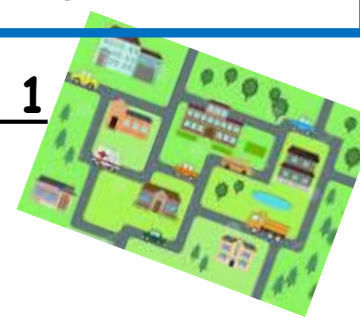

We will reinforce the plural noun suffix -s -es. We will think about how the prefix un- changes the meaning of verbs and adjectives and how the suffixes -ed and -ing can change a word meaning.

## Class Beck Curriculum Overview- Summer Term 1

### Topic- Around the World

What type of transportation is the best way to travel? Why do you think this?

## Art

Children will be looking at clay, understanding how to flatten and smooth their clay, roll shapes, join clay and design and create a clay house.

### Key vocabulary:
