

Looking for learning council - Miss Barker and Year 4 - Jacob.H, Grace, Sophie and Sam

	Overall Findings
Behaviour for learning	On the whole all children all task and purposeful learning environment. Children engaged and motivated.
Scaffolding	Language rich environments. Children observed using word walls. Where resources were not being used children knew where to access them. Children revisited prior learning to build on knowledge and skills.
Modelling	There may have been missed opportunities for whole class modelling.
Questioning	Where less modelling was being used questioning was a focus and a strength in most classes.

Things to consider:

- Use of apparatus
- Modelling
