### Parent Survey

Thank you to those who found the time to complete our most recent Parent Questionnaire. Anyway ... the results are now in and we are able to share that across the schools we had a return rate of 37%. The overall picture was again positive with respondents feeling that their children are kept safe and are taught well. It was felt that the schools could do more to support home learning.

I will be looking into how we provide homework across the sites with a view to addressing your concerns.
