Parent Feedback: The school has promoted in the newsletter the importance of parents and carers reading the end of term reports for their child and have emphasised this at parental engagement days in the schools. These reports provide progress updates on a termly basis. In addition parents and carers can also receive ‘positive engagement’ phone calls to celebrate their child achieving well in school.

To promote communications further, the school is also undertaking the Leading Parent Partnership Award in order to ensure that contacts with parents and carers are considered and developed systematically using a recognised framework.
