Denise Hart	November 2017	November 2017	November2020

Shenstone Lodge School is committed to safeguarding and promoting the welfare of pupils and requires all staff to act in the best interests of our pupils at all times. Our overriding principle is 'Every missing episode is potentially serious'.

Our aim is to reduce the incidence of all pupils going missing and if they do, to reduce the risk of them suffering harm and recover them to safety as soon as possible. We do this through partnership working, information sharing, problem solving, and performance management.

Shenstone Lodge School has adopted the term 'missing' to describe a child who is absent from the School or Residential provision without permission for any length of time.

The fact that the pupil may have gone missing on a number of previous occasions does not reduce the risk.

No child shall be deemed low or no risk missing who is:

- at risk of/experiencing child sexual exploitation
- an unaccompanied asylum seeking child (UASC)
- under 12.

The length of time a child has been missing should be a contributory factor to the assessment of risk.

The Children Missing Education and Children Missing from Education Policy, 2016, state the following;

'All children, regardless of their circumstances, are entitled to a full time education which is suitable to their age, ability, aptitude and any special educational need they may have. Children missing from education (CMfE) are at significant risk of underachieving, being victims of abuse, and becoming NEET later on in life'.

Roles and Responsibilities

The designated senior member of staff with overall responsibility for the implementation and monitoring of the Policy at Shenstone Lodge School is the Executive Head Teacher. The day to day management of the policy is the responsibility of the Head of School or the Head of Care (for after school hours residential students). This responsibility will transfer to their deputies/ assistants as appropriate in their absence.

The role of the Head of School/ Head of Care is to:

- Check any risk management plans which may already exist
- Ensure that all pupils, staff, parents and governors are aware of Shenstone Lodges School's Policy and procedures;
- Take a lead role in managing missing-from-school incidents in accordance with local protocols and Shenstone Lodge policies;
- Ensure effective recording, reporting and information-sharing procedures approved within this document are implemented;

- Offer advice, guidance and support to senior staff in circumstances where they may be responding to incidents;
- Co-ordinate and/or host multi-disciplinary meetings in response to incidents e.g. a multi-agency risk management, strategy or planning meeting;
- Monitor, analyse and report on the levels and frequency of incidents to Shenstone Lodge School's Leadership Team
- Provide advice, guidance and support to staff involved in / affected by incidents;
- Provide advice, guidance and support to pupils involved in / affected by incidents;
- Liaise with Shenstone Lodges School's Designated lead about all safeguarding concerns, as soon as reasonably possible.

The role of all staff

It is the responsibility of all professional staff to familiarise themselves with the procedures approved within this document; and to report and record any suspicions or concerns to a senior member of staff.

It is imperative that all Shenstone Lodge staff adopt a pro-active approach to supervising and monitoring the location and behaviour of young people at all times, particularly within residence, trips off site and when young people are unsettled. Knowledge of individual young people is all-important in terms of the likelihood of running away and their influence on other more vulnerable pupils. Information on these issues may be found through a number of sources including a pupil's single page profiles, Risk Assessments or Behaviour Management Plans. In the event that a pupil does attempt to run away the staff response should be influenced by a number of factors, including:

- the age, ability and understanding of pupil(s) involved;
- the frame of mind, vulnerability and perceived risk to the individual and others;
- location and circumstances of the incident; and
- the number/experience of staff and young people present.

When conducting an Offsite trip, staff should maintain appropriate levels of vigilance and supervision at all times.

If a pupil is believed to have run away from a School trip or transport, it is important that staff act to prioritise the welfare and good management of the group. Failure to do so may provoke a large-scale incident involving greater risk-taking and more young people. Irrespective of the circumstances, it is essential that senior staff are informed as soon as possible. On being notified of an alleged incident Senior Staff should establish the facts and ensure the protocols are followed.

Return Procedure

When the pupil is located, their return to Shenstone Lodge should be managed by senior staff in order to minimise disruption to other young people and Shenstone Lodge protocols followed.

Statutory guidance states that a Return Home Interview should be carried out by an independent person within **72 hours** of return.

Interviewing a pupil on their return from a missing episode is necessary to understand why they went missing or ran away in the first place and will enable appropriate support to be put in place, reducing the occurrence of repeat incidents. This could take the form of a risk management plan.

Sandwell LA commission Barnardos to complete Return Interviews. School should contact Louise.Morris@sandwell.gov.uk to make the necessary arrangements. If the student refuses to be interviewed school may ask questions but will need to inform Louise Morris.

It is important that any relevant information obtained is shared with all partner agencies, to ensure effective future safeguarding. Information and intelligence should be shared via local processes with the host and home local authorities and the police.

Missing Pupils Protocol

Day Pupil	Residential Pupil
<p>As soon as a student is identified as being absent from the right place, supervising staff make initial enquiries/ search Staff should make a note of the time.</p>	<p>As soon as a student is identified as being absent from the right place, supervising staff make initial enquiries/ search Staff should make a note of the time.</p>
<p>If the whereabouts of a student is not established, A search of the immediate vicinity should be undertaken. If within 20 minutes* the student is not found a member of the leadership team needs to be informed and the next steps are considered This will take into account:</p> <ul style="list-style-type: none"> a) The circumstances of the absence b) The age and competence of the student c) The location of the group/ student 	<p>If the whereabouts of a student is not established, A search of the immediate vicinity should be undertaken. <p>A member of SLT should be available to coordinate procedures if required.</p>	<p>A senior member of the Care Team should remain available to coordinate procedures and relay information to the 'On Call' person.</p>
<p>If the child missing status continues into the evening school all details about the situation should be passed onto the 'on call' person for that evening and the Care Team informed through the Head of Care.</p>	<p>The whole SLT team to be informed at the start of the school day if there has been no resolution.</p>

- If at any time the child re-appears, all parties should be notified immediately.
- Check if the pupil has a Risk management/supervision plan in place
- Following the resolution of the 'missing from care' situation. SLT must have all the details presented to them on the missing student record (appendix 1). A discussion will take place with the staff and student involved as soon as appropriate to prevent as far as possible further incidents occurring

*** These are guide timings. There are occasions when these may be reduced or increased dependent on the vulnerability of the child and the circumstances.**

****depending on the circumstances the parent may assume responsibility for the child at this point and as long as there are no extenuating safeguarding concerns the school will discontinue its actions.**
