

School Offer

We are a 'split site' school supporting and educating students who experience Social Emotional and Mental Health Difficulties.

Shenstone Lodge is a Primary and Year 7 provision near Lichfield, Staffs. It has residential facilities for those children who, it is felt, will benefit from a 'wrap around curriculum'.

The Brades Lodge is in Tividale, Oldbury and educates students in KS3 and KS4.

The school secured a 'GOOD' rating from its latest Ofsted inspection in May 2017. Our residential provision received "OUTSTANDING" rating in our recent Ofsted inspection on Feb 2019.

All students have access to:

- A curriculum with a strong focus on developing core academic skills, using a range of interventions to improve reading, writing and maths
- Support to develop a range of strategies to make more positive behaviour choices
- Regular assessment and monitoring of progress to ensure learning is secure and under-performance is addressed
- Opportunities to engage in a variety of off-site and adventurous activities
- High levels of multi-agency collaboration to support your child's learning as appropriate
- Close working relationships with Parents and Carers to support the best interests of the child

- Enhanced learning opportunities through Pupil Premium Funding as appropriate

Additional Special Educational Need Support

If your child is not making expected progress we will:

- Meet with Parents and Carers to discuss next steps
- Identify a suitable academic or behavioural intervention and measure the impact over a defined period of time
- Liaise with appropriate professionals (eg. Educational Psychologist, Speech and Language Therapist etc.) for further advice and implement suggested plans, as appropriate, against set time limits
