

SHENSTONE LODGE SCHOOL

PUPIL PREMIUM GRANT

These outcomes are based on the Pupil Premium children we had at our school in the academic year 2019-2020. The pupil premium grant for 2019-2020 was £37, 215. The numbers of PP children can differ during terms.

*The academic year 2019-2020 was severely disrupted due to the COVID-19 pandemic.

Subject Area	% of Pupil Premium children who made expected or above progress (19 children)	Whole School (44 children)
Mathematics – Number Yearly progress to date	79%	80%
Mathematics – Shape, Space and Measure Yearly progress to date	84%	86%
Mathematics – Using and Applying Yearly progress to date	100%	91%
English – Writing Yearly progress to date	89%	86%
English – Reading Yearly progress to date	95%	91%
English – CVGP Yearly progress to date	84%	80%
Motional (Measuring and Improving Emotional Health and Well-being)	New for 2020/2021	

Summary

Pupil Premium (PP) children performed better than our non-PP children in all areas of English; CVGP, Writing and Reading.

PP children performed better than our non-PP children in Using and Applying Statistics, Number (Mathematics).

PP children were outperformed in Number and Shape, Space and Measure (Mathematics).

Moving forward this means that interventions will be specifically targeted for our PP children in Number and Shape, Space and Measure in Mathematics.

Attendance has improved (83.4%) but for some children still remains an issue. Our safeguarding manager has devised protocols to support parents and carers in getting their children to school.
