

Wednesday, 7th October 2026

Dear Parents and Carers,

I would like to remind all families that, in line with government expectations and our school policy, our academy is a **mobile phone free zone**.

For clarity, our school site is defined as the area within the school boundaries, from the **Abbey Road entrance gates** to the **main front gates**, including all school paths and walkways.

This means that students must not use mobile phones at any point whilst on the school site, including:

- On arrival to school in the morning
- In toilets
- Whilst walking along school paths before and after the school day
- During break and lunchtime
- During enrichment activities
- During Period 6 sessions
- At sporting fixtures and other school-organised activities taking place on site

This expectation applies **regardless of the time of day** and remains in place until students have left the school site through either of our main exits.

We ask that parents and carers support us by reminding students that phones should be switched off and kept in bags whilst they are on the school premises.

Thank you for your continued support in helping us maintain a safe, calm, and positive learning environment for all students.

Kind regards,

Carl Bennett
Head of School
