

What I already know...

I know how to catch a ball with both hands

I have explored a range of throwing and catching actions

I have worked on my control when throwing and catching an object

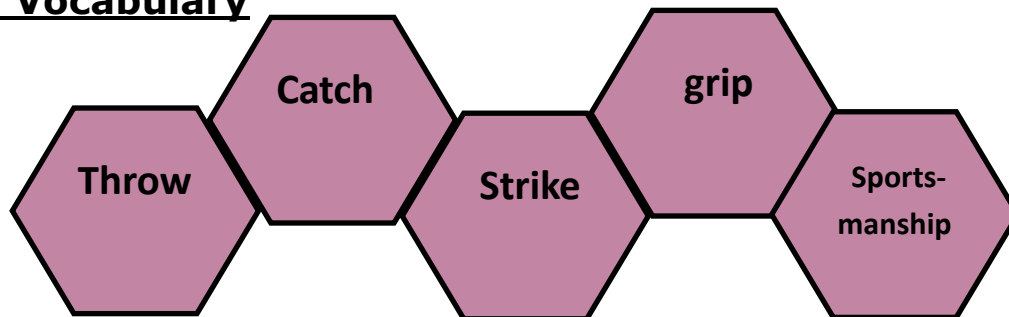

Throwing and Catching

Children will play small sided games to build on their skills for throwing and catching, building up to using one hand.

They will begin to develop their control and technique to strike a ball using a racquet.

Key Vocabulary

I will learn...

- ⇒ To catch a ball with one hand
- ⇒ To be able to use a racquet and ball together
- ⇒ To be able to strike a ball with a racquet

Learning values

Collaboration

Perseverance
