

Dear Parents and Carers,

The wet and windy weather certainly hasn't dampened the spirits here at Shirley Junior School this week! Across the school, all classes have been fully engaged in their transition curriculum, with a focus on what it will be like in their new year groups. Through thoughtful circle times, children have had the opportunity to ask questions, share their thoughts, and build excitement for the year ahead. A very special shout out to our Year 4 pupils, who truly impressed us this week with their incredible effort and knowledge during the Multiplication Tables Check. Their hard work and perseverance shone through, and we are so proud of each and every one of them—what a fantastic achievement!

Best Wishes, Mrs Davie Headteacher

School Community Messages

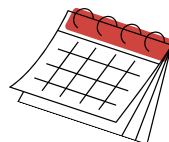

We are absolutely delighted to share some exciting news —Shirley Junior School has been recognised as a TGMC Flagship School! 🎉 This is a wonderful achievement for our whole community and reflects the care, dedication, and commitment we all share in supporting our pupils' wellbeing. On 15th June, we will be welcoming Jen Foster from The Good Morning Club (TGMC) for a special visit to our school. This visit is an opportunity to showcase the fantastic work taking place every day to support our children's emotional wellbeing which helps them develop positive strategies for self-regulation.

We are incredibly proud of the nurturing, supportive environment we continue to build together, and this recognition celebrates the collective efforts of our staff, pupils and families.

Upcoming Events
