

Dear Parents and Carers,

What a jam-packed and exciting week it has been at SJS! We began by saying a short goodbye to many of our Year 6 pupils as they headed off to enjoy transition days at their new secondary schools. At the same time, we were delighted to warmly welcome our new Year 3 children into the SJS family, it has been fantastic to see them already becoming part of our school community. Back in the classroom, learning continued as usual, with children working hard and making the most of every opportunity. We were thrilled to see so many members of our wider community join us for Sports Day today. Thank you for coming along to cheer on and celebrate our children as they participated in a range of sporting activities. It was a wonderful way to end another memorable week at SJS! 

Best Wishes, **Mrs Davie** Headteacher 

School Community News JEP PROMS

We are looking forward to seeing our wonderful choir and orchestra showcase their talents at the JEP Proms on Wednesday 8th July, in what promises to be a fantastic evening of music and celebration.

TRANSITION DAYS

On Tuesday and Wednesday this week, our whole school community came together to spend time in their new classes with their new teachers. These transition days provided a wonderful opportunity for children across the school to build connections and develop their identities within their new class communities. There was a real buzz of enthusiasm as children selected their new class names, took part in connection games and shared their aspirations for the year ahead. We are incredibly proud of how well the children approached these transition days and are all very excited about the opportunities, experiences, and successes that await our school community next year!

Upcoming Events

- 6th July - Y5 WaterAid Fair after school
- 8th July - JEP Proms
- 9th July - Share my Learning after school
- 10th July - Y5 Paulton's Park trip
- 13th July - Y5 Bikeability starts

KINDNESS.
RESPECT.
INTEGRITY.

ORACY AWARD

We are delighted to introduce our new Bronze Oracy Award! Throughout this term, Miss Vincent and Mr Richards have been working incredibly hard to build on the fantastic oracy achievements of our school this year. They have thoughtfully designed a series of engaging oracy challenges for pupils to complete during the final weeks of the summer term. By successfully taking part in these activities, children will have the opportunity to develop their speaking and listening skills, earn their Bronze Oracy Award badge, and be celebrated in our school celebration assembly. We are incredibly excited to begin presenting these awards and are proud to be recognising some of our pupils this week who have already completed the challenge. Well done to everyone involved! 🌟🎉

TO CARE - FUNDRAISING

As part of our focus on showing care this half term, each year group is doing something in the next two weeks to raise money for a chosen charity. The children would like to ask parents and carers if they would be willing to sponsor them. To keep this simple, from Tuesday there will be an option in MCAS to donate an amount of £1, £2 or £5 to each year group (apart from Y5 where you are able to attend their fair.) Teachers will take photos so you can see the children in action and celebrate their efforts with them, and we will share the photos and the total amounts raised in a couple of weeks. Thank you for supporting the children's efforts to show that they care for the wider community.

Year:	3	4	5	6
Charity:	RNLI	Cancer Research UK	Water Aid	Williams Syndrome Foundation
