

Dear Parents and Carers,

What a wonderful week it has been at SJS! This week has been all about celebrating the amazing and inspiring achievements of our pupils across the school. Whether in the classroom, through music, fundraising initiatives or their wider out-of-school activities, our children continue to impress and inspire us every day. It has been particularly heart warming to see so many of our children demonstrating such care and compassion for others. Across the school, all of our year groups have been busy completing fundraising challenges to support a range of worthwhile charitable causes. Through their teamwork, determination and willingness to help others, our pupils have shown what it truly means to be active, thoughtful and responsible members of our school community.

Best Wishes, **Mrs Davie** Headteacher

JEP PROMS

On Wednesday evening, SJS proudly joined with other JEP schools to take part in the JEP Proms, a truly memorable celebration of music and talent. It was a fantastic evening that showcased the incredible musicians and singers from across our primary, infant, junior and secondary schools. The event was filled with outstanding performances, reflecting the hard work, dedication and passion of all the children involved. It was inspiring to see so many young performers come together to create such a special occasion and share their talents with the wider community. As always, our SJS pupils were wonderful ambassadors for our school. They performed with such confidence and enthusiasm, making us all incredibly proud.

ORACY AWARD

We are delighted to introduce our new Bronze Oracy Award! Throughout this term, Miss Vincent and Mr Richards have been working incredibly hard to build on the fantastic oracy achievements of our school this year. They have thoughtfully designed a series of engaging oracy challenges for pupils to complete during the final weeks of the summer term. By successfully taking part in these activities, children will have the opportunity to develop their speaking and listening skills, earn their Bronze Oracy Award badge, and be celebrated in our school celebration assembly. We are incredibly excited to begin presenting these awards and are proud to be recognising some of our pupils this week who have already completed the challenge. Well done to everyone involved! 🌟🎉

YEAR 5 WATER AID SUCCESS

On Monday this week, our Year 5 pupils delighted our whole community during their fantastic Water Aid Fair. It was wonderful to see our children using their enterprise skills to create such amazing stalls for everyone to enjoy. Over the last few weeks, the children have been incredibly busy planning and organising their stalls. From a wide range of delicious baked treats to beautifully crafted homemade creations, they truly impressed us all with their creativity, hard work and dedication to this important cause. I am absolutely delighted and very proud to share that our Year 5 pupils raised an incredible £867.67 for Water Aid! This is a remarkable achievement and a testament to the enthusiasm and determination shown by every child involved.

A huge thank you to all the families and members of our school community who supported the event. Your generosity helped make the fair such a tremendous success. Well done, Year 5 – you should all be extremely proud of yourselves! We certainly are.
