INTEGRITY

Writing

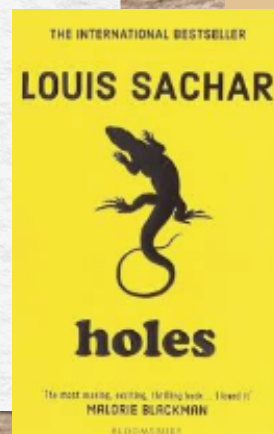

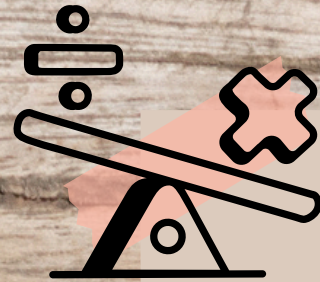

We are writing...

A villainous biography, telling the world about the life and evil deeds of a character from our own imagination.

Become fascinated by a magic wishing well and its inner workings and using our writing skills to explain how the magic works.

We will then become immersed in the book Holes by Louis Sachar where we will learn to use modal verbs and understand subordination.

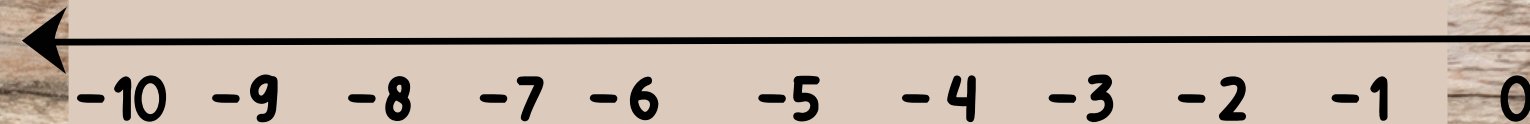

Maths

We are learning...

Place Value up to 1,000,000

Negative numbers

Area and perimeter

Reading

We are...

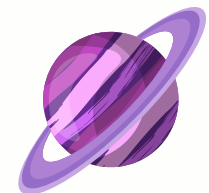

Getting lost in the rainforest within the book The Explorer, visualising settings and getting to know the characters.

Science

We are...

Astronomers - exploring space, the solar system and planet Earth. Asking questions about the universe we live in.

Exploring the properties of solids, liquids and gases and investigating what happens when we mix materials together.

KINDNESS
RESPECT
INTEGRITY

PSHE

We are...

Exploring how friends can communicate safely and that there are different types of relationships.

Learning about different choices we can make regarding money

Geography

We are...

Discovering why Southampton is viewed as "The Gateway to the World" relating to both national and international migration

History

Travel back in time to The Terrific Tudors and discover whether Henry VIII is the war hero he wants us to believe he is?

RE

We are...

Learning what belonging means in Muslim faith

Learning about the warnings given by the Magi and what these mean to Christians

Art

We are...

Using ink to make people think - creating art to reflect the journeys of refugees across borders, using colourful acrylic ink.

P.E.

We are...

Becoming team mates by learning the skills and rules of netball and football.

In indoor P.E, the children will work together to practice paired balances and travel back in time by doing some tudor inspired dancing.

Computing

We are...

Learning how to keep our passwords and ourselves safe.

Becoming aware of our online reputation and the difference between cyber bullying and in-person bullying

KINDNESS
RESPECT
INTEGRITY

French

We will be learning how to talk about ourselves in French, and tell others where we live.

Music

We will be listening to a range of music inspired by space, focusing on mood, texture and tempo.
