

# I am starting Sholing Infant School

## Owls Class

This is my new school, Sholing Infant School.

I will be in the Early Years building this year.

I am going to be in the Owls Class.

This is a picture of my classroom.

# All about Mrs. Finch

I am the Owls Class Teacher. I am also the Early Years Leader and the Maths Leader so some days I will be out of the classroom doing my other jobs- make sure you wave and say hello when you see me!

I have two children called Toby and Holly who are going to be in Year 8 and in Year 4, and two very cheeky cats called Jacks and Matilda!

I love doing lots of practical and fun learning such as art and making, and as a maths specialist teacher I love learning all about numbers, counting and shape! I also really enjoy stories and am looking forward to sharing them with you!

I am really excited about being your new teacher and learning lots of new things with you!

# All about Mrs. Hutchings

I am Mrs. Hutchings and I will be in Owls class every day with you!

I have 2 of my own children, my little girl is starting Year 3 and my little boy is starting Year 7!

I love playing with toys and games and in the outside area and am looking forward to playing with you all! I love messy and sensory play so we are going to have lots of fun!

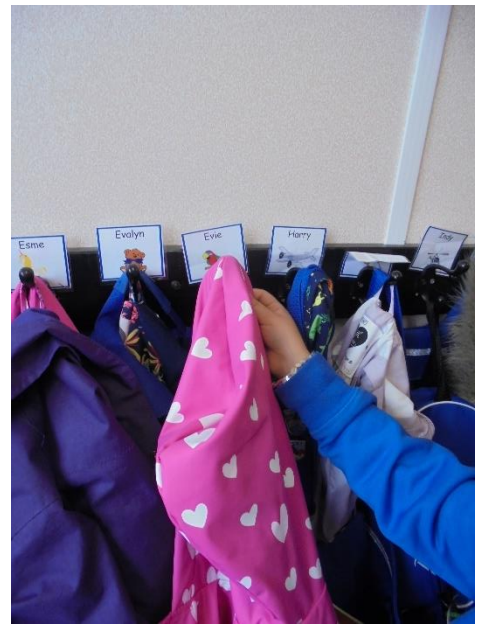

I really enjoy phonics and reading and will do lots of extra practise with you all when you need it!

I can't wait to get started with you all in September!

At the start of the day I will say goodbye to my grown-up and come in to Owls class.

I will put my coat on my peg, my water bottle in my tray and my book bag in the box.

This is the hall where I will go for assembly and PE.

This is the activity area where I will go to play and learn, and to eat my lunch.

This is where I will go to the toilet and wash my hands.

This is the Early Years playground where I will go to play and learn outside.

These are some of the adults who I will get to know at school.

These are some symbols we will have up in the classroom and around school. You can use them to show us what you need if you cannot yet ask an adult by speaking.

These are good words to learn if you are new to speaking English, so please practice them at home as they will help you to tell us what you need.
