Sholing Junior School Year 3 Autumn 2 Curriculum Newsletter

Overview

Autumn 2 is finally here! The children are working incredibly hard on presentation in their books and handwriting. They really enjoyed learning the topics last half term and we hope they love this terms too!

English

This half term, we will be using the Boy Called Christmas to help us with our writing. We will be writing an explanatory text about Father Christmas. The second text we will be looking at is called The Winter's Child and we will be writing a letter. We can't wait to see their writing!

Maths

In Maths, we will continue to finish our topic of recognising numbers up to 1,000, implementing this knowledge with measurement. Then, we will move onto right angles, how we notice these and then onto statistics, looking at different graphs and collecting data.

Reading

In class, we will be reading a Boy Called Christmas by Matt Haig. It's a wonderful story about hope and giving joy. The children will be focusing on characters emotions, predicting what could happen next, summarise chapters and infer why characters make decisions.

Wider Curriculum

In Geography, we will be looking at food in our local area and how and where it is grown. In PSHE, we will be looking at health and well-being and keeping ourselves safe. In Computing, we will be looking at online safety and how to use spreadsheets.

PE

In PE this half term, we will be focusing on Fitness for our inside PE lessons. We will discuss how fitness can effect our heart rate, look at building speed and strength and develop agility. Our outdoor PE will be football. We will focusing on controlling the ball, attacking and defending.

Important Dates and Websites

Quick reminder that your child should be reading every evening and their reading diaries should be signed and brought in.

Keep using TT Rockstars and Spelling shed for activities too!
