

Sholing Junior School

Sholing Junior School Year 3 Summer 2 Curriculum Newsletter

Overview

We can't believe that Summer 2 is finally here. The next seven weeks will be spent finishing off our Year 3 curriculum, supporting the children with the move to Year 4 and working hard to produce our best pieces of work. Thank you for all your continued support. They have done incredibly well to adapt from infant to Sholing Juniors.

English

This half term, we will be interviewing not just any old person or celebrity but animals! We are looking at the book "Interview with a Tiger" and the children will be using humour to write a comical interview with an animal of their choice.

Maths

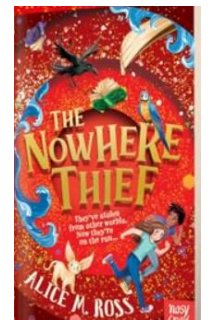

This half term, we will be spending some time going over some trickier Maths topics. We will be revisiting shape, fractions, place value, multiplication and division.

We encourage children to be using TT Rockstars weekly to help them with their times table practice.

Reading

For our class read, we will be reading "The Nowhere Thief" by Alice M. Ross. We will be practicing our fluency in class using paired and echo reading. We will be discussing the meanings of words and focusing on etymology.

Wider Curriculum

In Geography, we will be looking at fieldwork and mapping. We will learn how to use a compass and locate places using directions on a map. In RE, we will be looking at The Guru Arjan Dev and his work with the holy scriptures.

PE

In PE this half term, we will be getting ready for Sports Day. We will be practising sprinting, relay, soft javelin, jumps and many more. Please make sure your child has a water bottle, suncream and hat during these days as it can get very warm!
