

School Parking Pledge

Dear Parent / Carer

Our school is launching the Parking Pledge.

As part of an initiative launched by My Journey and Southampton City Council we are asking all our families to make the parking pledge. By making the pledge your family will be supporting our commitment to reducing congestion around the school gates, improving road safety and to increase the number of children travelling actively to school.

With your support we can create a safer environment for our children with less cars on our roads and by promoting considerate parking. We can also show our children how much fun they can have by walking, cycling or scooting to school.

Over the recent weeks our school has agreed on the below promises we would like our families to make to the school community:

- Our family will only drive to school when necessary, otherwise we will travel by foot, bike, scooter or bus.
- Our family will always 'park and stride' to school where possible when driving the car.
- Our family will always park sensibly, and never on 'school keep clear' zigzag lines, within 10m or opposite a junction, in a bus bay or on double yellow lines.
- Our family will always respect our community residents by not parking over driveways, on pavements or verges which can cause damage and access issues.
- Our family will always take care when driving in the school vicinity, drive slowly, and look out for families travelling to school by foot and bike.

Please discuss with your family the above requests from our school community and return the commitment slip at the bottom of this letter by In return your child will be given a car sticker for you to display in the window which shows your commitment to the pledge.

We would like to thank you on behalf of all the families, children and staff at our school for helping us achieve our travel plan objectives and for making the Parking Pledge.

Visit www.myjourneysouthampton.com for more about getting around the city.

Our family have made the Parking Pledge
