

REVIEW OF MARKING CONSENT FORM

Information for Pupils

The following information explains what may happen following an enquiry about the result of an examination:-

If we apply for a review of marking for one or more of your scripts after your subject grade has been issued, then there are **3** possible outcomes:-

1. Your original mark will be confirmed as correct, and there will be no change to your grade.
2. Your original unit grade or overall grade will be raised so that **your revised grade is higher** than the original grade you received.
3. Your original unit grade or overall grade will be lowered so that **your revised grade is lower** than the original grade you received.

To proceed with the enquiry, you must sign the form below. This tells the Head of Centre that you have understood what the outcome might be and that you give your consent to the application for the review of marking.

I give my consent to the Head of my Examination Centre to make an enquiry about the result of the examination(s) listed above.

In giving consent, I understand that the final unit grade or overall subject grade awarded to me may be lower than, higher than or the same as the grade which was originally awarded for this subject.
