

Dear Parent/Carer

We hope you and your family are well. Please find **letter 3** which will outline our September opening plan, which has been designed with health and safety guidelines at the forefront.

**Please see below the design concept overview:**

- The timetable allocation and times will remain as the 2020-2021 timetable.
- **Year 11** time will be unaffected for 2020-2021.
- **Year 7-10** time will be affected only by staggered break and lunch, which are shorter than usual.
- **Year 7** will be bubble banded and remain in their form group for all lessons in the same room. For Year 7 this provides continuity from their primary school model and allows for key transition work.
- **Year 8 and 9** will remain in their form group for all lessons in the same room.
- There will be staggered entrances, exits, break and lunch. (Please see enclosed table)
- There will be prescribed routes, in a one-way system, for students to move around the building.
- There will be no bell to diffuse the concentration of students on the corridors.
- There will be KS3 bubble entrance (Humanities) and KS4 bubble entrance (canteen door).

We have designed the timetable so that there is full return to school for all year groups however to ensure health and safety guidelines are followed we have staggered their return days.

**Student return dates:**

It is very important that your child arrives within their allotted time shown in Registration box on the table enclosed. Your child must not arrive before the allotted time or wait around at the end of the day. The timetable will be reviewed on a two week cycle and you will be updated of the changes we have made each time.

We are so excited that all students can return to us and we are looking forward to September.
