

Notice of works

Footway improvement work starting in your area

What is happening

We are pleased to inform you that we will be carrying out footway improvements along Prunus Road, Crewe.

Why is it happening

Works to deliver footway improvements are scheduled to start on 22 May 2023, and will take approximately 8 weeks to complete.

When it's happening

The works will take place under two phases, commencing on 22 May 2023 between the hours of 08:00 – 17:00 (excluding weekends and bank holidays).

- Phase 1 - Sycamore Avenue will be closed to Ash Road between 22 May - 2 June 2023
- Phase 2 - Ash Road will be closed to Lime Tree Avenue between 5 June - 21 June 2023

Under current Health & Safety legislation and for the safety of our workforce and members of the public, it will be necessary for a road closure to be in place during these works.

We understand there is no right time to undertake this work however, the scheme has been carefully planned to minimise any inconvenience to you and other road users. Please note that we occasionally have to change our works at short notice due to unforeseen circumstances such as adverse weather conditions or logistics.

What you can expect

- Signage on street in advance of the work starting
- Our team working on the footway
- Machinery and vehicles
- Barrired areas to create safe working zones, in line with current Health & Safety legislation
- 'Business open as usual', 'Road Closed Ahead/Diversion' and 'Cyclist dismount' signs

Access to your property or business

We will make every effort to maintain vehicle access to your property or business. However, due to the nature of the works some inconvenience may still occur and there could be times when point of entry will vary. Please note, this letter does not grant you access through the road closure. If you have any specific access requirements, please raise these with our site supervisor as soon as possible.

Your safety and the safety of our workforce is our priority. Our Traffic Management Officers will be supplied with CCTV cameras and they will assist you as the work progresses.

If you would like to discuss any aspects of the scheme or the work as it progresses, our on-site supervisor is your best point of contact. Alternatively, if you have an urgent enquiry relating to the works you can call us on 0300 123 5020.
