Key reminders for parents

EYFS Parents Evening

Please ensure you book your slot for parents evening with your child's class teacher (Sunflower, Buttercup & Daisy classes only). If you are having any difficulty with this, please just ring or email and we can sort this for you. Bookings are open until Friday 9th October so please do this before then.

Individual photographs

The proofs for our individual photographs have been delivered to school today and have been sent home with your child. Simply logon to the website and you can view all of your child's photographs. You can then order which ones you like.

Lee was unable to take sibling photographs during his visit on Monday so he is going to return to school on Monday 12th October to complete these. Please note these are only for children in the Infant School as we are unable to take children from the Juniors through the day. Lee will be here at 8am to take sibling photos including junior age children.

Attendance

Who is our attendance winner this week?

Well done to **Rose Class** for winning the attendance trophy for this week with 100% attendance - amazing!

We have had a brilliant week with **96.6%** attendance overall. This is above our target!

Thank you so much for prioritising your child's attendance and ensuring they come to school every day.

You can find more information about attendance and absence on our website here:

Reminders

If your child has a medical appointment, please let staff in the office know. Always try to make appointments outside of school time so it does not affect attendance.
