Attendance Ladder

Below you will see the attendance ladder, which shows the impact that days absent from school can have on a child's attainment and well-being. To give children the best chance of success, they need to be in school as often as they possibly can.

Attendance Zones

96%-100% attendance is seen as good attendance, and as a school we aim for every child to achieve this target. Sitwell Infant School uses 'attendance zones' to monitor attendance and provide support.
