

Dear Parents & Carers,

Bling Your Bike and Sparkle Your Scooter Day: Monday 24th January 2022

On Monday 24th January, Sitwell Infant School are holding a Be Bright – Be Seen Bling Your Bike and Sparkle Your Scooter Day! This is to celebrate the school being named as 'STARS Primary School of the Region 2021' due to the impressive number of pupils that travel to school actively.

What is the event? We are inviting children to come to school dressed in bright colours and to bring their bike or scooter. Children will have the opportunity to decorate their bikes and scooters in brightly coloured materials, to promote the importance of wearing bright colours when travelling actively during the winter months.

When? Monday 24th January 2022

Who can take part? Every child who brings a bike or scooter to school will be able to take part so choose an active way to travel on Monday 24th January.

Why? The purpose of the event is to teach children the importance of being bright when travelling so as to be seen by drivers. The event is also a fun way of encouraging children and parents to choose active ways to travel to school.

There will be more active travel activities later in the term for those who are unable to bring a scooter or bike to this event.

We look forward to seeing you there!

Emily Sykes
