

Sitwell Infant School

Equality Objectives

Our data does not identify any significant areas of concern in relation to religion or belief or to disability. However, we have decided to focus on actions in these areas as noted below:

Objective 1

Further enhance opportunities for boys to make good progress through a review of the curriculum and learning environment.

Objective 2

In order to continue to promote community cohesion, we will deliver a robust RE syllabus; ensuring children visit different places of worship as part of our school curriculum enrichment activities.

Objective 3

Raise awareness of gender identity; promote equality and challenge stereotypical views and discrimination against young people with possible gender identity concerns.

Objective 4

Maintain a professional workforce; ensuring all staff are provided with opportunities to further develop their knowledge, skills and understanding which will impact positively on children's outcomes.

We will engage with our school community to ensure the objectives identified are the best ones for this academic year based on our school data. The equality objectives for Sitwell Infant School will be part of the school improvement plan and will be monitored by the governing body termly.
