9th November 2022

Dear Parents & Carers,

The National Curriculum has changed quite significantly during the past few years and within each subject area, there is a much higher expectation of the children in order for them to reach age related expectations. Because of this, we are constantly developing and adapting our practice within school to ensure children receive the highest possible quality of teaching and learning across the curriculum. During parent consultations, feedback showed that many parents are keen to access further information and workshops to develop their skills and knowledge in order to better support their children at home.

Our next meeting for parents will be focused on **Mathematics** and will be led by our Mathematics leader, Mrs Smith. She will endeavour to give you a range of information about the expectations of the Mathematics curriculum throughout school and give key strategies to support your child's learning at home. The meeting will take place on **Monday 5th December at 2.15pm in the hall**. All parents and carers are warmly invited to attend. Please complete the slip below and send back into school as soon as possible so we know how many to expect and how many resources to prepare. **We are happy to run the meeting again at 5pm for those parents and carers who are unable to attend during the school day**. Please note that if there is not enough interest, the evening meeting may not go ahead. We will confirm this nearer to the time.

If you have any questions, please don't hesitate to ask. We look forward to seeing you there.

Yours sincerely,

Mrs K Peart
Headteacher

Parents' Mathematics Meeting: Monday 5th December @ 2.15pm or 5pm

Name of child: _____ Class: _____

I will attend the meeting at 2.15pm. ☐

I will attend the meeting at 5pm. ☐
