31st January 2025

Dear Parents & Carers,

Many of you will have already seen on the school calendar that, on Friday 7th February, we will be hosting Number Day 2025, in partnership with the NSPCC. During the day, your child will take part in activities relating to maths and everyday life. Your child is invited to come dressed up as a representation of their favourite number, if they wish to, and you can make a donation of £1 to the NSPCC. **If your child decides not to dress as a number, they will need to wear their school uniform instead.**

We see Number Day as a great opportunity to further promote the importance of maths, while also raising awareness about the fantastic work the NSPCC do in keeping children safe. All money raised will help the NSPCC to run programmes such as its 'Speak Out, Stay Safe' programme.

Below are some dress-up ideas, many of which only involve a white t-shirt and a Sharpie! We look forward to seeing all the creative representations of digits! For further information on the NSPCC, please click the link [here](#).

Thank you for your continued support.

Yours sincerely,

Mrs K Peart
