Dear Parents & Carers,

Ofsted Inspection Outcome Report

We are delighted to share the outcome of our recent Ofsted inspection, which took place on 13th & 14th May 2025. The final report has now been published and I am incredibly proud to inform you that our school has been rated 'Good' in all areas.

The report highlights the very strong practice taking place across the school, and we are particularly pleased that the inspectors recognised the dedication, passion and expertise of our staff. Their hard work, commitment to excellence, and unwavering support for every child were key in achieving such a positive outcome.

We are also deeply grateful for your continued support and partnership. It is thanks to the strong collaboration between staff, families, and the wider school community that we have been able to provide such a positive, nurturing and high-quality learning environment for our children.

You can access the full Ofsted report via our school website or directly on the Ofsted website (it will be available here in the next few days).

Thank you once again for your support and trust in our school. We remain committed to building on this success and continuing to strive for excellence in everything we do.

Yours sincerely,

Mrs K Peart
