1<sup>st</sup> March 2024

Dear Parents & Carers,

### Parent Voice - You Said, We Did

In the autumn term, we sought the views of our families as part of our drive for continuous improvement. We were delighted that over 100 families gave their views as part of this exercise. We are keen to share the findings of the surveys with you and our plans for next steps, following your feedback.

*Outcomes from our parents and carers survey were as follows:*

- 96% of parents surveyed feel that their child enjoys attending school and 99% would recommend our school to other parents
- 99% of parents surveyed said their child is safe at school and that we help them to make healthy choices
- We are delighted that 100% of parents felt that children's positive behaviour choices were reinforced and rewarded in school; and 95% feel that unacceptable behaviour is dealt with fairly
- 95% of parents surveyed feel that school listens to their views and we inform them about their child's progress, with 97% believing they receive the right information to support learning at home
- 96% of parents feel class teacher expectations are high and we meet their child's needs
- 97% of parents feel that communication from school was useful and informative
- 99% of parents said they know who to speak to if they have a problem and 96% feel we have a good home school partnership
- 26% of parents surveyed feel they do not understand the role of governors
- 99% of parents of children in F2 feel that transition arrangements in the summer were good

*Based on the outcomes of the survey school will:*

- Re-share class email addresses, as some parents were not aware of being able to contact class teachers in this way
- Look at days that Stay & Play sessions and special events are held to give parents the best chance to attend
- Provide opportunities for families to share views/suggestions about school lunches to ensure the offer entices children to eat school meals regularly
- Share further information about our governing board and how they contribute to the successful running of school
- Reconsider dates for parents evening to ensure meetings are organised at appropriate times throughout the year

Our ethos at Sitwell Infants is fostered around children being secure and happy which will enable them to be successful in all they do. We hope the information above shows we have listened to your views and are working hard to continually improve our school.

Thank you for your continued support.

Yours sincerely,

Mrs K Peart  
Headteacher
