5th January 2023

Dear Parents & Carers,

As you may already be aware, this May all of our Year 2 children will be taking the Standard Attainment Tests (SATs). All children in England must take these tests at the end of Year 2 and the results will be used to determine how well children are performing in Mathematics, Reading and Writing. We are inviting all parents of Year 2 children to join us for a meeting about SATs.

To fully prepare you and your child for the experience of SATs, we invite you to meet with us so that we can:

- Explain what 'SATs' are.
- Talk through 'SATs' processes and what will happen.
- Share what the tests may include and the types of questions the children will need to be able to answer.
- Explain how we will best prepare the children for this in school.
- Share ideas and tips for how you can help your child at home.
- Answer questions and concerns that you may have.

As we know not everyone will be able to make the daytime meeting, there will be an evening meeting offered. The meetings will be held on **Monday 16th January at 2pm and 5pm** (subject to interest). The meeting should last no longer than an hour. I would be grateful if you could confirm your attendance at either the daytime or evening meeting by completing and handing in the slip below so that we have an idea of how many resources to prepare.

We look forward to seeing you there.

Yours sincerely,

Mrs K Peart
