Dear Parents & Carers,

Welcome from Sitwell Infant School governing board

I am delighted to welcome all parents and carers to another year at Sitwell Infant School and to introduce you to our governing board. School governors are people from the school or local community who want to make a positive contribution to children's education by providing strategic leadership and accountability in the school.

As governors we become involved with a variety of issues including finance, pupil welfare, policies, building/grounds maintenance and staff appointments. However, we consider that our most important role is to ensure the welfare and education of the pupils. Governors are here to support, encourage and challenge our Headteacher, Senior Leadership Team and all school personnel so that children within our school can "be the best that they can be."

The governing board at Sitwell Infant School comprises 12 members: 3 Parent Governors, 1 Local Authority Governor, The Headteacher, 1 Staff Governor and 6 Co-opted Governors. The details of all current serving governors can be found on the school website by following the link <https://www.sitwellinfantschool.co.uk/meet-our-governors/>

We are always keen to hear feedback from parents and carers and would be particularly grateful to hear from you in person at school events, where we try to have a representative of the Governing Board present. Should you wish to contact me to discuss any matter further and in private please contact the school office, who will be able to put us in touch.

We hope that all children have a smooth transition to their new classes, and look forward to sharing a happy and successful year with them in school.

Kind regards,

Vicky Williams

Chair of Sitwell Infant School Governing Board
