Dear Parents & Carers,

As you may already be aware, this year we are going to be celebrating the end of your child's second year with us with a special Celebration Assembly, which parents and carers are able to attend. This special assembly will be a whole year group assembly (Classes 3, 4 & 5) and it will be held in the hall. The children have begun practising for this— we are so excited for you to share this wonderful event with us!

The Celebration Assembly for Year 1 children will be held on **Tuesday 12th July at 2.15pm**. This event will be a chance for children to share with you their favourite memories and learning from their second year with us and celebrate all of their hard work and achievements. **We hope as many parents as possible will be able to attend, but due to limited space, we can only allow two places per child.**

Please note we are unable to offer a crèche facility for younger siblings whilst the assembly takes place. Younger siblings may attend if needed, however we ask that parents be mindful of their child's behaviour during the performance as we may have to ask for younger children to be taken out of the assembly if they are causing a distraction during the performances.

If you have any questions, please don't hesitate to ask. We look forward to sharing this special occasion with you.

Yours sincerely,

Mrs K Peart
