

CEO Update Summer 1 2025

Welcome to my summer update after such a short and jam packed half term. As promised, as The Howard's Easter was on the last day of term, here is a little recognition of their event, what a wonderful bonnet parade, we hope that you had a super Easter period.

Richard Crosse's worship council led our Trust worship on creativity launching the value and our study of Saint Catherine of Bologna.

We are grateful to all of our staff for their priority of preparing our Year 6 children for SATs. Thank you to all our staff, children and families for all their hard work, especially in supporting our children academically and emotionally, ensuring the children achieve their best in these assessments. Regardless of outcomes we know our children are high school ready and are able to embrace their next steps and that is the most important thing. This is only one measure of success and our children are well rounded,

confident children with many gifts and talents. We 'look forward' to our multiplication and phonics checks after half term and again thank staff for their preparation and support.

Last week saw two schools have inspections. We are so proud of all our staff, children and community Anson who had their SIAMS inspection (the report is ready to read - <https://anson.staffs.sch.uk/our-school/ofsted-report> scroll down to the bottom of the page. What a beautiful report outlining the daily lived vision and values at Anson.

St Andrews had their OFSTED inspection and whilst the report and outcomes aren't ready to share (we don't have the report yet and aren't allowed to until it is available) we are immensely grateful to the staff, children, families and community for their hard work and achievements.

All schools enjoyed Boccia held at The Howard and Anson.

The Netball final between Richard Cross and All Saints was a wonderful evening demonstrating teamwork and communication. Richard Crosse won the Trophy and everyone had a super time.

Tuesday saw our magnificent 'Movie Night' across 5 of our schools. It was a vibrant and special evening taking us from Galaxies, to troll and ogre kingdoms, the emerald city, pride lands and chimney sweep London! What a wonderful community filled evening. Thanks once again to our staff for all their hard work and the children for practicing and having such a wonderful time.

We hope you have a super Whitsun week or weeks depending on which school you are at and that you manage to carve out some family time. We look forward to seeing you all for our final, summer term of the year.

From Charlene Gethin and Ralph.
