To worship together is seen as an opportunity for all to share in Christ's love.  
At St Mary's Primary School,  
Worship is...

*Giving honour and reverence to a supreme being.  
Christian worship is concerned with bringing praise, prayer,  
thanksgiving and adoration to God.  
It is an activity of response: in words, actions and thoughts.*

Worship is also intrinsically linked to our core Christian values of:

Friendship  
Love  
Respect

### Our Vision

Collective worship plays a central part in the life of St Mary's CE Primary School. Collective worship is a means by which the school's Christian vision is expressed (Strand 6 SIAMS 2008).

Our vision here at St Mary's is underpinned by our motto 'Believe and Achieve', this encourages the children to not only believe in themselves but also to believe in God the Father, God the Son and God the Holy Spirit. Through this faith in themselves and God we believe all children can fulfil their potential to be the best they can be. We encourage our children to fly. The scriptures of Isaiah provide the basis for our motto and why we think our children can flourish under God.

"But those who wait upon the LORD will renew their strength; they will mount up with wings like eagles; they will run and not grow weary; they will walk and not faint." (*Isaiah 40 v 31*)

### Our Core Christian Values

#### Love

"Love one another as I have loved you" John 13: 34-35

#### Friendship

"A friend loves at all times." Proverbs 17:17

#### Respect

"So in everything, you do to others what you would have them do to you." Matthew 7:12

As an expression of the Christian vision, ethos and spiritual life of the school, it offers the whole school community opportunities to experience, participate in and take responsibility for the living expression of Christian worship, valued and honoured through the school's Anglican Foundation. This is invitational and set within the context of the corporate community of our school and its historic partnership with St Mary's Church, Colton. We affirm every individual's unique contribution, regardless of age, gender, sexuality, ability, background or religion. We also strive to help pupils connect their experience of RE with worship.

### Legal requirements:

#### Trust Deed

Our daily act of collective worship is in accordance with the Trust Deed of the school/academy. This requires worship to be consistent with the faith, principles and practices of the Church of England.

#### DfES guidance

We also take into account DfES legislation. The following link will take you to the current legislation.  
<https://www.gov.uk/government/publications/collective-worship-in-schools>

#### 1988 Education Act

We also take into account the 1988 Education that states,

*'.....all pupils in attendance at a maintained school shall in each school day take part in an act of collective worship',*

And, that this should be,

*‘....mainly of a broadly Christian character’*

### Worship and/or Assemblies

Some schools have a celebration assembly in order to celebrate pupil's achievements. Care should be taken that this is still regarded as an act of worship through saying prayer at the end of the celebration to thank God for pupil's achievements and successes.

Here at St Mary's we have an Achievement Worship on a Friday. During this time we celebrate our children's success during the week. Our achievement worship is grounded in our Christian vision and children share how they fly and soar like eagles both inside and outside of school. It is also a fantastic way for parents to be involved in our acts of worship when they attend the weekly celebration assembly. Opportunity is provided for children to reflect on the school's Christian values and prayers are shared by the children.

### Section 48 Statutory Inspection of Anglican & Methodist Schools (SIAMS)

All church schools, whether they are Voluntary Aided (VA ), Voluntary Controlled (VC) or Foundation (F) will be inspected on collective worship and the impact this has on the whole school community (Strand 6 of the SIAMS 2018 schedule). The core question of this strand is, **the ways in which collective worship is an expression of the school's Christian vision.** Here at St Mary's CE Primary School this inspection will evaluate the school's/academies collective worship on the following:

- that it is inclusive, invitational and inspiring
- offers the opportunity, without compulsion, to all pupils and adults to grow spiritually through experiences of prayer, stillness, worship and reflection
- enables all pupils and adults to appreciate that Christians worship in different ways, for example using music, silence, story, prayer, reflection, the varied liturgical and other traditions of Anglican/Methodist worship, festivals and, where appropriate, the Eucharist.
- Helps pupils and adults to appreciate the relevance of faith in today's world, to encounter the teachings of Jesus and the Bible and to develop their understanding of the Christian belief in the Trinitarian nature of God and its language.
- Enables pupils as well as adults to engage in the planning, leading and evaluation of collective worship in ways that lead to improving practice. Leaders of worship, including clergy, have access to regular training.
- Encourages local church community partnerships to support the school effectively in developing its provision for collective worship.

### The right of withdrawal (see appendix 1)

We recognise the right of withdrawal from worship for pupils at the request of parents and for staff, but encourage discussion with the relevant individuals to ensure that there is understanding of the aims and objectives of worship, and strategies for minimising the disruption caused by any withdrawals

### Aims of worship

The gathering of pupils each day incorporates collective worship. Worship will be:

- Appropriate to the age, aptitude and family background of pupils.
- Provided in a variety of settings, groupings and timings, with a variety of leaders

Day	Worship Lead	Worship Content
Monday	Head teacher	Whole School Focus is on the Value of the term / Liturgical Calendar

<b>Tuesday</b>	Class Teacher	Whole School Bible story or Wonderbooks
<b>Wednesday</b>	The Worship Council/Vicar/Headteacher	Whole School in Church Focus is on the value of the term/ Biblical focus / Liturgical Calendar
<b>Thursday</b>	Class Teacher	Hymn practice
<b>Friday</b>	Head teacher	Whole School Parents and School Community invited  Celebration Assembly

**Worship should be invitational and provide opportunities to:**

- enhance the spiritual development and response of pupils
- foster reflection, meditation, prayer and silence
- create an atmosphere in which God is both normal and natural
- foster a reverential attitude to God
- foster empathy and imagination, enabling pupils to participate in a variety of ways
- actively involve pupils in the delivery of worship in creative and imaginative ways (reading, poetry, drama, dance, quiet / silent reflection, prayer, singing)
- explore and enjoy praise, prayer and the rituals of Christianity (the Anglican tradition in particular)
- affirm the Christian faith and the central Christian status of Jesus as the Son of God
- affirm the Christian belief in the Trinity and explore the meaning of each person of the Trinity
- explore Eucharistic worship (where appropriate) within the Anglican tradition (this is explored within RE lessons)
- enable pupils to reflect on the experiences of Christian adherents
- foster and value a search for a faith to live by
- explore the schools/academies Christian values to deepen pupils understanding of them and how they relate to the school/academy, local community and wider world
- learn about and reflect upon Christian teaching, Biblical material and Christian festivals, in a way that relates to the pupils' experience and to living together in community
- worship together rather than apart
- provide an evocative setting for worship that fosters spiritual growth and reflection
- experience a broad spectrum of Christian tradition (various expressions of worship)
- inspire pupils to explore further their own faith and tradition
- encourage pupils and staff to plan, participate and lead in worship
- develop a sense of community and shared values
- consider the needs of others and to foster charitable works
- celebrate the highest achievements of the human spirit
- celebrate achievements of members of the school in every aspect of school life
- foster a thought provoking atmosphere allowing for spiritual reflection and response
- make regular use of local church buildings for worship

**Other opportunities that worship can offer are:**

- celebrate the beliefs and cultures of others particularly those represented in our school/academy
- celebrate of achievements of members of the school/academies community
- reinforce school expectations, good behaviour and school/academies routines
- share local school/academies and community information

**Management of worship**

Ultimately the responsibility for collective worship lies with the Head teacher and the Chair of Governors. However the role of planning, resourcing, managing and evaluating worship has been delegated to our worship lead in partnership with a member of the Ministry Team and the Head teacher. In addition all

teachers in a church school are 'spiritual leaders' and have a responsibility to help pupils develop spiritual awareness. Leaders ensure worship is relevant, creative, and cohesive and will enrich the spiritual journey of participants. The themes and values to be explored through worship times each term/year will be decided in advanced and shared with pupils and their parents.

In Practice:

- Reverend Anne and the Head teacher meet prior to the school year to plan core worship events including: Harvest celebrations, Christmas and Easter, so they are prioritised in the school calendar.
- Reverend Anne coordinates her weekly worship rota to reflect the liturgical year and the school's core Christian values
- Reverend Anne co-ordinates the worship team comprised of representatives from the children, they plan and evaluate pupil led worship.
- Our school worship lead, head and governors oversee the provision, monitoring and evaluation of worship
- Our school worship lead provides planning for teacher led worship

### **Resourcing worship**

Worship should be adequately resourced to ensure that it is regarded as an important part of school life. Pupils are encouraged and provided opportunities to plan acts of worship, so that they have ownership of it.

At St Mary's this takes the form of:

- Worship leaders from each class in Key Stage 2 planning and leading a weekly act of worship for the whole school.
- Year 5 and 6 worship leaders who choose the music and prayers for whole school worship.
- Whole school being actively involved in Church celebrations.

### **St Mary's Worship Council**

Worship leaders from each class form the worship council at St Mary's. Each child takes enormous pride and enjoyment in their role. Every Tuesday they meet with a representative from the Church to reflect on and evaluate their previous worship and plan for their next worship. They also collect pupil voice in relation to collective worship. They lead worship both in the school and in the church and have an active role in achievement worship.

### **School led Acts of Worship in St Mary's Church:**

Alongside collective worship in school, the children are also a big part of worship at St Mary's Church in Colton. The school is actively involved in the major events of the Christian calendar as shown below, and also attend and contribute to acts of worship outside of school time.

Harvest Festival – Children across the school from EYFS to Y6 are involved in the Harvest Festival, from contributing pieces of work to leading parts of the service or choosing prayers and hymns, the children are actively involved as the leaders of this celebration in church.

Christmas – Year 5 and 6 lead the Christmas Service in Church with all year groups contributing work, prayers or readings. Members of the church also come in to help the children learn about Christingle,

the children create their own which they can then take to when they attend the service on the Sunday, some even choose to lead parts when attending the service.

Easter - All key Stages come together in Church to celebrate Easter with all children contributing to or leading parts of the service.

Leaver's Service - Years 5 and 6 lead a formal service in Church at the end of term, with all Key Stages attending. This is a celebration of their time at St Mary's and each are presented with a Bible from the church as a commemoration of their time here.

**RE and Collective Worship**

We see collective worship as a great opportunity to bring in the children's learning from RE. They explore key theological concepts linked to their RE learning within worship and make their own links to Bible stories they have explored or the core Christian Values. Within worship, reference is made to the "Big Frieze" and any Bible story explored is placed within the context of the frieze to allow children to make connections.

**Monitoring, evaluating & action planning worship**

Worship is monitored and evaluated frequently in order to ensure that it meets the needs of all who take part. All stakeholders opinions are sought (this should include pupils, teachers, governors & parents) A yearly action plan which feeds into the school development plan is written and revised to ensure that worship remains relevant and up to date.

Records of plans and content are kept centrally on the staff shared drive. It is the responsibility of the worship co-ordinator to ensure that these are kept updated. There is a section on each day's planning for annotation and comments. In addition, children take on a central role when evaluating worship, they complete reflective journals and the Worship Council collects evaluative comments from the children in the form of pupil voice. Monitoring and evaluating the impact of Collective Worship is an on-going process that involves input from staff, pupils and parents. Feedback provides insight into how worship influences the life of the community and is used to ensure on-going relevance and improvement. The worship co-ordinator also has responsibility for auditing and keeping records of resources and ensuring they are accessible to pupils and staff as appropriate.

**Worship themes and current practice**

The worship themes for each week are based around our 2 year worship cycle (**Appendix 3**) which links to our PSHE curriculum, core values and the liturgical year. Worship provision is planned from a number of resources including: Anglican lectionary, the school's Christian values (see the LTP below) and how they are linked to Biblical narrative, Picture News, Imaginor values reflection journals, Christian Values for Schools and Barnabus in schools.

<i>Year A</i>	<i>Year B</i>

## **Valuing All God's Children**

"In Collective Worship the importance of inclusivity and dignity and respect for all should be explored, as well as other themes and values that play a part in challenging all forms of prejudicial bullying." The use of Picture News or Newsround linked to our values within whole school and class worship is just one of the ways in which we ensure the content of our worships are relevant, we place high value on ensuring that current events are explored within a safe and secure environment and children can see that we are all God's children.

## **APPENDICES**

**1 – Right to Withdrawal**

**2 – Worship Resources**

**3 – Long Term Plan**

### **Appendix 1**

#### **Guidance for schools and academies on the right to withdrawal from Religious Education and Collective Worship March 2017**

##### **Collective Worship**

The **1944 Education Act** gave the right to withdraw from RE or collective worship to parents who wished their children to receive different form of RE or worship. This right is also confirmed in section 71 of the **School Standards and Framework Act 1998**. In the case of collective worship, the government guidance document is **Circular 1/94: Religious Education and Collective Worship**.

Collective worship in all Church of England schools and academies should honour the school's trust deed and Christian foundations. Worship is central to school life, offering an opportunity for the whole school community to explore the distinctive beliefs and narrative that underpins the school's Anglican foundations and distinctive Christian character. Worship is the responsibility of the governing body in conjunction with the head teacher, working in partnership with the staff and the local parish church.

Our Church of England schools should strive to ensure they are consistently excellent, distinctive, and inclusive, and that the whole curriculum is underpinned by Christian values. Religious Education is an important part of the curriculum in all Church of England schools and academies. Its nature, objectives, and content should be shared with parents each term to ensure that parents are able to recognise that RE is of educational value to all pupils, whatever their belief background. In the same way, collective worship should lie at the heart of school life, proclaiming its distinctive character and faith in a way that is relevant, inclusive and that leads each pupil a little further in their spiritual journey. In this way, the likelihood for parental requests for withdrawal should be reduced. However, when they are made they must be handled accordingly to the legal guidance, while there is scope for a little realism and adaptability in order to ensure the best for every pupil.

In many of our schools within the Diocese of Lichfield, there is a large percentage of children whose families are members of another faith. It is the purpose and duty of every church school to be distinctive as a Church of England school. In each school, it is part of the mission of the church to welcome those of other faiths and no faith. In most cases, parents will have chosen the school for their child, making a specific choice of the school because of the ethos and education it offers. In a small number of cases, parents of other faiths will have been offered a place at a church school because no other school has a place for their child within a reasonable catchment area.

The right to withdraw from collective worship should be at the instigation of the parents or pupils above the age of 16.

### **The right of withdrawal from collective worship**

The right of withdrawal from collective worship would normally be exercised through the physical withdrawal of the pupil from the place where the act of worship is taking place. Indeed the school could insist that this is the way the right is to be implemented. If, however, both the parent and the school agree that the pupil should be allowed to remain physically present during the collective worship but not take part in it, nothing in the law prevents this.

Experience suggests that, to avoid misunderstanding, a Head teacher / Principal will find it helpful to establish with any parent wanting to exercise the right to withdrawal:

- the elements of worship in which the parent would object to the child taking part;
- the practical implications of withdrawal; and
- Whether the parent will require any advanced notice of such worship, and, if so, how much.

Where parents have withdrawn their children from collective worship and request religious worship according to a particular faith or denomination, the governors and Head teacher / Principal will seek to respond positively to such requests providing:

- such arrangements can be made at no additional cost to the school; and
- That the alternative provision would be consistent with the overall purposes of the school curriculum as set out in **Section 1 of the 1988 Education Act. (Circular 1/94)**
