Statutory Policy Yes

This code sets out the expectations on and commitment required from the Academies Director in order for the Board of Directors to properly carry out its work within the Multi Academy Trust and the community. It has been amended to include specific reference to the ethos of our particular schools and it applies to all levels of Governance.

The Board of Directors has the following core strategic functions:

Establishing the strategic direction, by:

- Setting the vision, values, and objectives for the Trust
- Agreeing the Trust Strategic Plan with priorities and targets
- Meeting statutory duties

Ensuring accountability, by:

- Appointing the CEO
- Monitoring progress towards targets
- Performance managing the CEO
- Engaging with stakeholders
- Contributing to school self-evaluation

Ensuring financial probity, by:

- Setting the budget
- Monitoring spending against the budget
- Ensuring value for money is obtained
- Ensuring risks to the organisation are managed
- Organising internal audits.

As individuals on the board we agree to the following:

Role & Responsibilities

- We understand the purpose of the board and the role of the CEO
- We accept that we have no legal authority to act individually, except when the board has given us delegated authority to do so, and therefore we will only speak on behalf of the Board of Directors when we have been specifically authorised to do so.
- We accept collective responsibility for all decisions made by the board or its delegated agents. This means that we will not speak against majority decisions outside the Board of Directors meeting.
- We have a duty to act fairly and without prejudice, and in so far as we have responsibility for staff, we will fulfil all that is expected of a good employer.
- We will encourage open government and will act appropriately.
- We will consider carefully how our decisions may affect the community and other schools. ▪ We will always be mindful of our responsibility to maintain and develop the ethos and reputation of our schools. Our actions within the schools and the local community will reflect this.
- In making or responding to criticism or complaints affecting the schools we will follow the procedures established by the governing board.
- We will actively support and challenge the CEO.

Commitment

- We acknowledge that accepting office as a Director involves the commitment of significant amounts of time and energy.
- We will each involve ourselves actively in the work of the Board of Directors, and accept our fair share of responsibilities, including service on committees or working groups.
- We will make full efforts to attend all meetings and where we cannot attend explain in advance why we are unable to.
- We will get to know the schools within the Multi Academy Trust well and respond to opportunities to involve ourselves in school activities.
- We will visit the school, with all visits to school arranged in advance with the staff and undertaken within the framework established by the Board of Directors and agreed with the CEO.

- We will consider seriously our individual and collective needs for training and development, and will undertake relevant training.
- We accept that in the interests of open government, our full names, date of appointment, terms of office, roles on the Board of Directors, attendance records, relevant business and pecuniary interests, category of Director and the body responsible for appointing us will be published on the school's website.

Relationships

- We will strive to work as a team in which constructive working relationships are actively promoted. ▪ We will express views openly, courteously and respectfully in all our communications with other Directors. ▪ We will support the chair in their role of ensuring appropriate conduct both at meetings and at all times. ▪ We are prepared to answer queries from other Directors in relation to delegated functions and take into account any concerns expressed, and we will acknowledge the time, effort and skills that have been committed to the delegated function by those involved.
- We will seek to develop effective working relationships with the CEO, staff and parents, the local authority and other relevant agencies and the community.

Confidentiality

- We will observe complete confidentiality when matters are deemed confidential or where they concern specific members of staff or pupils, both inside or outside of the schools.
- We will exercise the greatest prudence at all times when discussions regarding the Multi Academy Trust's business arise outside a Directors Board meeting.
- We will not reveal the details of any Board of Directors vote.

Conflicts of interest

- We will record any pecuniary or other business interest (including those related to people we are connected with) that we have in connection with the Board of Directors business in the Register of Business Interests, and if any such conflicted matter arises in a meeting we will offer to leave the meeting for the appropriate length of time. We accept that the Register of Business Interests will be published on the school's website.
- We will also declare any conflict of loyalty at the start of any meeting should the situation arise. ▪ We will act in the best interests of the Multi Academy Trust as a whole and not as a representative of any group, even if elected to the Board of Directors.

Breach of this code of conduct

- If we believe this code has been breached, we will raise this issue with the chair and the chair will investigate; the Board of Directors will only use suspension/removal as a last resort after seeking to resolve any difficulties or disputes in more constructive ways.
- Should it be the chair that we believe has breached this code, another Director, such as the vice chair will investigate.

1. The Seven Principles of Public Life

The Seven Principles of Public Life (also known as the Nolan Principles) apply to anyone who works as a public office holder. This includes all those who are elected or appointed to public office, nationally and locally, and all people appointed to work in the Civil Service, local government, the police, courts and probation services, non-departmental public bodies (NDPBs), and in the health, education, social and care services. All public office-holders are both servants of the public and stewards of public resources. The principles also apply to all those in other sectors delivering public services.

1.1 Selflessness

Holders of public office should act solely in terms of the public interest.

1.2 Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

1.3 Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

1.4 Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

1.5 Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

1.6 Honesty

Holders of public office should be truthful.

1.7 Leadership

Holders of public office should exhibit these principles in their own behaviour and treat others with respect. They should actively promote and robustly support the principles and challenge poor behaviour wherever it occurs.
