

## **Privacy notice for Training Delegates**

Under data protection law, individuals have a right to be informed about how the Trust uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals who visit a Trust school to undertake training.

We, The Staffordshire Schools Multi Academy Trust are the 'data controller' for the purposes of data protection law.

Our data protection officer is Jacqui Bowman (see 'Contact us' below).

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify the Trust's use of your data.

### **Collecting this information**

You can choose not to provide us with this information. However, if you choose not to, we may be unable to allow you in to Trust premises.

### **How we store this data**

This data is stored in a paper training register, and in an electronic file. Both are stored securely. We keep these in line with our retention schedule, which can be found on our website [www.tssmat.staffs.sch.uk](http://www.tssmat.staffs.sch.uk) or provided on request.
