

BULLYING

TOGETHER WE CAN STOP IT

We want ALL our children to feel happy and confident.
We want ALL our children to feel safe and secure.

At Southbroom Infants we think that bullying can be when someone keeps on hurting your feelings on purpose.

Remember - sometimes children can forget how to be friends with each other.

Remember - of the grown ups don't know, they can't help!

What can you do about bullying?

At Southbroom Infants we want everyone to feel happy and safe. So if you or someone you know is being bullied we ask you to... Say NO to bullying. ☑

Tell the bully to 'STOP' If they don't STOP then be brave and... ☑
TELL someone you trust like a friend or grown-up.

Make sure a grown-up knows.

Signs of bullying might be...

A change in mood or behaviour. ☑

Not wanting to go to school.

More clingy or emotional than usual. ☑

Obvious signs of physical hurt or damage to their belongings

What can we do in school to help?

At Southbroom we will ALWAYS listen to you. There are lots of people who can help.

First we talk to everyone involved in the problem.

Then we write down what everyone says, so that we don't forget anything.

Next we might have a meeting altogether to talk things through.

We might need to talk to parents and staff to find out what has been happening. We will make sure that everyone understands that this behaviour is NOT a good choice and must STOP immediately.

We will keep checking that this happens.

Where else can I look for help or advice?
