

Friday 9th June 2023

Dear Parent/Carers

Welcome back to the last term of the school year. We hope that you've all had a relaxing break over the half term. We have another exciting term ahead with lots of new learning opportunities and experiences for the children.

Transitions

This term our topic is Growing! With this topic we will be talking to the children about how they have grown and will be moving up to Robin's or being in reception! We have planned transition days for the children. This will give them a chance to meet the teachers and other children that will be with them in September.

Key Dates for transitions:

- Tuesday 27th June 1.30-2.30pm
- Tuesday 4th July 1.30-2.30pm
- Tuesday 11th July 1.30-2.30pm
- Tuesday 18th July 1.30-2.30pm (picnic for new reception children and their parents)

Tapestry

Please log in to Tapestry to see our weekly blogs. These blogs enable you as parents to read about and see what the children have been learning in nursery each week. You will also see some observations that are more personal to your children. Thank you for sharing your pictures on tapestry of what your children do outside of nursery. Its lovely to have conversations with them while looking at the pictures.

Weather

Please can all children come into nursery with hats and sun cream already applied (we will reapply sun cream to the children that are here all day, please name the sun cream and keep them in their bags). Can children also wear appropriate shoes/sandals to nursery that they can run around in please?

Pictures

Can you all send in or share on tapestry a baby picture of the children please? This is for our new topic 'Growing' and to show the children how much they have all grown. We can even talk about how different they all look!

Thank you very much for your support. We hope you have all the information that you need for the term ahead. If you have any questions or queries, please do not hesitate to speak to us at either the beginning or end of the session.
