After School Club Update

Dear parents and carers

Following on from our previous letter regarding possible closure of our after-school club provision, we have explored a variety of options in the attempt to keep our provision open. Unfortunately, we have not been able to find a solution at this time, therefore we have made the difficult decision to close our after-school club provision from September 2023.

We will be closing this service on Friday 8th September. The Senior Leadership Team will run the club during the first week of term 1 for those families who have not yet been able to find alternative childcare arrangements.

We will continue to review this decision in the hope that we are able to re-open this provision to our families in the near future.

Our breakfast club will continue to run for pupils at Southbroom Infant School and will be led by Mrs Smith.

Thank you for your continued support

Yours sincerely,

Mrs A. Edwards
Head of School
Southbroom Infant School
