Change of date – staff training day

Dear Parents and Carers,

We are writing to let you know about an important change to one of our previously published staff training days. The training day originally scheduled for Friday 28th May has now been moved to Monday 15th February.

This means that:

Monday 15th February – the academy will be closed to pupils.

Friday 28th May – the academy will be open as normal.

We appreciate that changing a previously published date may cause some inconvenience for families, and we apologise for any disruption this may cause. The decision has been made following careful consideration, and we wanted to give families as much notice as possible now that the revised date has been confirmed.

On the back of this letter is the updated calendar for the rest of this academic year

Thank you, as always, for your continued support.

Yours sincerely,

Mr T. A. Libera
Principal
