Welcome back!

The children have made a fantastic start to the year and have settled in very quickly. We've been really impressed with their positive attitudes, smart uniforms, polite manners and the speed at which they've engaged in their learning.

We are all looking forward to the year ahead, working together to help the children make great progress.

School Refurbishment

Over the summer holiday, the school has undergone some major refurbishments. Our Early Years and Key Stage One classrooms have been completely transformed and we are very proud of our new environment. The changes will only benefit the children and help them to engage with their learning.

Snacks and Birthday Cakes

If your child would like to bring a snack to school to eat at playtime, they may bring a **piece of fruit**. (Fruit is already provided for children in the Early Years and KS1.)

If your child would like to bring cake to share with their class on their birthday, we kindly request that individual buns are provided rather than a full cake.

PE

Children are now able to get changed for PE in school. Please send children to school in their normal uniform with their PE kit in a bag.

PE lessons take place on the following days:

Reception:	Wednesday and Thursday
Class 1KS:	Monday and Wednesday
Class 1/2M:	Monday and Friday
Class 2H:	Tuesday and Thursday
Years 3 and 4:	Monday and Friday
Year 5:	Wednesday and Thursday
Year 6:	Thursday and Friday

As there are occasions when the timetable may change, it would be best if children could have their PE kit on their peg so that it is available throughout the week.

Morrisons - It's Good to Grow

The school is taking part in It's Good to Grow from Morrisons supermarket. If you shop at Morrisons between the 6th September and 24th October then you can donate 'Grow Tokens' to us by downloading the Morrisons App. We can then spend these tokens on gardening resources for the children to use.
