Thursday 2nd December 2021

A Drop in the Ocean

Nursery children have continued to learn about animals that live in the sea. The children have watched our sharks grow in our fish tank and compared their size. They have painted different types of sharks, talked about their features and even made moving dolphin pictures.

Cold Weather

It's lovely to see a few snowflakes on a crisp, frosty morning...

however, please ensure that children have a warm coat and a jumper or cardigan as we have to keep classrooms ventilated.

Please note that cold weather is not an excuse for not coming to school. The children have missed out on too much learning to miss odd days because of the weather. Please try to get children into school on time.

Attendance awards will be given out in assembly before the Christmas break.

Covid-19

As you will know, the government have asked everyone to wear a face covering when in shops and on public transport. This is also the case in school. Staff are now wearing a face covering in communal areas and any visitors to school must do the same. I ask that if you are coming into the school office, please wear a face covering and queue outside if there is already another family group taking to office staff. Thank you.

Christmas Cards

The children are able to send Christmas cards to each other by posting them in the post boxes in each hall.

Please ensure that any Christmas cards are sent into school by Monday 13th December. We will not be able to deliver them after this date.

Christmas Dinner Day - MCAS

This year's school Christmas dinner will be on Tuesday 14th December. If your child would like a school Christmas dinner, please book the main meal and pudding option on the MCAS App for Tuesday 14th December. Further information on this will be emailed out today alongside the Christmas Menu.

Lunchtime Supervisor Post

We currently have a vacancy for a Lunchtime Supervisor. If you are interested in applying then please see the links below for more information.
