## Hull Active Schools Football Festival

On Thursday 24th March children from Southcoates took part in a football festival at the Tigers Trust Arena.

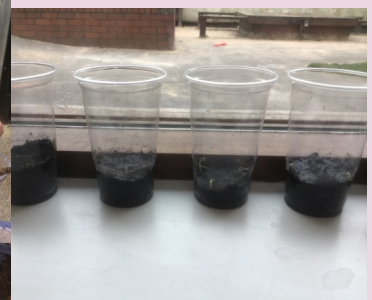

The children earned points by taking part in a series of activities testing their agility, accuracy and teamwork. The events included Blind Football, where the children wore blindfolds and their partner had to give instructions to avoid obstacles and score a goal. Speedkick, where the speed of the ball was recorded digitally, goal keeping activities and agility courses. All Southcoates children took part in all events and showed great resilience, determination, teamwork and respect, towards each other, the other schools and the event organisers.

In the afternoon, the children were split into 4 teams and competed against other Hull schools in mini matches. Our children walked away with medals for first, second, third places and runners up – amazing results, well done everyone!

## Helping Hands

As part of our Helping Hands theme this term, the Nursery children have been planting Sunflower seeds to give as a gift to the residents of Alexander Court. The little green fingers must be working as they are already starting to grow!

### Y3 / 4 Litter Pick

Last week, children in years three and four went on a litter pick around the local area. Our local council member, Councillor Hester Bridges, accompanied the children. She was very impressed by the amount of rubbish which was collected and how well the children behaved. Well done years three and four!

### Easter Chocolate Raffle

Ms Jackson will be selling raffle tickets every morning next week for the chance to win any of the Easter chocolate prizes in the picture.

£1 for 5 raffle tickets.

### Upcoming Events

Wednesday 6th April: School photograph day
