Y6 SATs

Our year six pupils have been undertaking their SATs tests this week and they have done an amazing job so far. We are so proud of their mature attitudes.

We should remember that, whilst academic performance and test results are an important measure of progress, they do not show the full story of a child's progress over their primary education.

Our current year six children are a fantastic group of children who regularly demonstrate this with their effort, responsibility, maturity, empathy, kindness and many other achievements – none of this can be seen in a test result.

Keep going year six, only one more test to go!

Coronation Celebrations

We all enjoyed taking part in Coronation activities last week. Children from nursery through to year 6 created artwork around the theme of 'King Charles III'. Do you like our fantastic work?

Holidays and Appointments

Please note, holidays during term time can only be authorized under certain circumstances. In these instances, holiday request forms must be submitted in advance, and the school must be informed of the time the child is off and when they intend to return.

Where possible, please try to arrange appointments outside of school hours.

Where this is not possible:

- Please bring your child into school to get their attendance mark before the appointment, if possible.
- Please show office staff a copy of any medical forms or appointment letters.
- Please book a lunch for your child in advance, if they will be back in school over lunchtime.
- Your child should return to school as soon as possible. Please, do not take the whole day off. If they can attend for the morning and afternoon registers, their attendance will not be affected.

Summer Term Dates

Monday 15th May:	Y2 SATs week
Monday 15th May:	School council visiting Lord Mayor at Guildhall
Monday 22nd May:	Y6 swimming lessons start (all this week)
