Help Available - Gas & Electric:

Unity in Community is an organisation that can provide vouchers between £28 and £49 to help towards paying for gas and electric. To qualify you must pay for your energy through a prepayment meter and have not received energy vouchers from Unity in Community within the past year. This is in response to the ongoing cost of living crisis. Beneficiaries can be working, unemployed, self-employed or retired. For more information and to register, call 01482 420836, Monday to Friday, 9am - 2pm – if busy, please try again.

Polite Reminders

We want all pupils to be treated fairly and equally and for everyone to be safe in school. To help us with this, we ask that you please support us with the following;

- Bikes and scooters should be pushed while on site.
- Plain single stud earrings are the only jewellery permitted in school.
- No chocolate bars or fizzy drinks in packed lunches.
- Pupil water bottles should only be filled with water.

Thank you for your support.

Term dates

The term dates for the 2025-2026 academic year have been emailed and sent out via MCAS today. They are also on the website.

NHS Pharmacy First Service

Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? Accessing the service may mean that children feel better and get back to school as quickly as possible, as well as supporting parents and carers to also get better if they are unwell with one of the conditions covered under the service. There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service.

Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply):

<u>Common condition</u>	<u>Patient eligibility</u>
Earache	1 to 17 years
Impetigo	1 year and over
Infected insect bites and stings	1 year and over
Sore throats	5 years and over
Sinusitis	12 years and over
Uncomplicated urinary tract	Women 16 to 64 years
Shingles	18 years and over
